

Be prepared for the unexpected

Accidents are just that — accidents. You can't plan for them. But, you can protect yourself financially as much as possible.

What is the Accident Plan?

The Aetna Accident Plan pays benefits when you get treatment for an accidental injury. The plan pays for a long list of covered minor and serious injuries. You can use the benefits to help pay out-of-pocket medical costs or personal expenses.

How is this different from a major medical plan?

Medical plans help pay providers for services and treatment. But, they don't cover unexpected costs that might come with an accidental injury.

The Aetna Accident Plan pays benefits directly to **you**, giving you extra cash when you need it most. It can help fill in the gaps, making it a great companion to your major medical plan.

How can you use the cash benefits?

It's completely up to you. You can use the money any way you want, like:

- Deductibles or copays
- Mortgage or rent
- Groceries or utility bills

...or anything else you choose.

Easy to use

If you're enrolled in the Aetna Medical Plan, your accident claims are filed automatically. Online tools make it easy to manage your plan. Benefits get paid directly to you by check or direct deposit if you have a covered injury or treatment.

The Aetna Accident Plan is underwritten by Aetna Life Insurance Company (Aetna).

"What ifs" are everywhere

The average cost of all non-fatal injuries per person initially treated in an emergency department was approximately **\$6,620.**¹ Home accidents injure **one person every four seconds** in the U.S.²

Because you never know

Miguel* didn't expect to get rear-ended in the middle of rush hour on his drive home. But it happened, and now his back and his car need some work.

Luckily, he had the Aetna Accident Plan. His doctor submitted his Aetna Medical claim and his accident claim was filed automatically.

Miguel used some of the money to pay out-of-pocket medical costs. The rest went towards getting his car back into shape.

One less worry

If you're an Aetna Medical member and have a covered accident, you don't need to file a claim**. We'll use the information from your medical claim to automatically process the accident claim.

If you don't have Aetna Medical, filing a claim is easy with our **Simplified Claims Experience™**. Just register on the **My Aetna Supplemental** app or at **Myaetnasupplemental.com**. Click "Report New Claim", answer a few quick questions, and upload or take a picture of your medical bill. You can also print and mail a paper claim form to Aetna Voluntary Plans.

Visit the app or portal to view plan documents, submit and track claims, and sign up for direct deposit.
