

EMPLOYEES & THEIR FAMILIES HAVE QUESTIONS ABOUT MEDICARE

SGIA Medicare Consulting has answers to these Medicare questions.

SGIA Medicare Consulting, whose expertise is to provide a personalized approach to answering Medicare questions for you and your family members, at no cost.

Even if you are currently enrolled in health coverage from your employer, there are decisions that need to be made. Often times, enrolling in Medicare can be a less expensive way of covering your healthcare costs. Call the experts who are most familiar with how Medicare impacts your employer coverage.

SGIA's Medicare Consulting Includes:

- Unbiased individualized needs analysis for a Medicare plan selection.
- Expert information and advice simplifying Medicare programs.
- Offerings of all major Medicare plans nationally.
- Enrollment assistance and tracking process.
- Annual Medicare plan reviews.

Let our licensed and certified Medicare consultants help you with a simplified process of understanding Medicare.
